Canadian Institute of Traditional Chinese Medicine

CHINESE MEDICINE AND ACUPUNCTURE FAIR

中醫藥針灸展覽會

YOU ARE INVITED!

Learn about and experience a medicine that has been practiced for over three thousand years and is a natural and proven effective way for healing.

Have you ever wondered how Acupuncture works and how it is performed? What do ginseng, dong gui and other Chinese medicinal herbs look like and what are the benefits to your health?

Come to the Fair to talk to an Acupuncturist and /or Traditional Chinese Medical Doctor to find out the answer. Workshops will be conducted in Chinese, English and Korean.
